

MICRO-MECHANICS WINS BEST INVESTOR RELATIONS AT THE SINGAPORE CORPORATE AWARDS 2011

Singapore, 22 July 2011 – Micro-Mechanics (Holdings) Ltd. (“Micro-Mechanics” or the “Group”) received the *Best Investor Relations Award (Silver)* in the “less than \$300 million market capitalisation” category at the Singapore Corporate Awards (SCA) 2011 event last evening.

This is the second year running that the Group’s investor relations practices have been recognized by the SCA. In 2010, Micro-Mechanics received the SCA’s *Best Investor Relations Award (Bronze)* in the “less than \$300 million market capitalisation” category.

Said **Ms Sumitri Menon**, Independent Non-Executive Chairman of Micro-Mechanics, “We wish to thank the organisers and panel for giving this esteemed Best Investor Relations award to Micro-Mechanics and we wish to acknowledge and thank our professional advisors for their invaluable assistance. We got a bronze last year. It is encouraging and very pleasing that our continued efforts and the progress we have made has been recognized and acknowledged by this year’s Silver award. We intend to ceaselessly continue to raise the bar, and improve our internal processes to attain and maintain the highest standards of corporate transparency and governance. Sound and quality investor relations practices will remain an important aspect of our organisation’s values and culture.”

The Best Investor Relations Award recognises companies that embody the spirit of corporate governance and corporate transparency, and hence adopt and implement best practices in investor relations. Winners of this award often go beyond the mandatory regulatory requirements in their quality of disclosure, corporate transparency and fairness in disclosure.

In the recently announced annual Governance and Transparency Index 2011, Micro-Mechanics was ranked 20th out of 657 companies listed on the Singapore Exchange. In January this year, the Group was voted ‘Best for Shareholders’ Rights and Equitable Treatment in Singapore’ for the second year running in Asiamoney’s annual Corporate Governance Poll. The Group was also presented the award for ‘*Most Transparent Company – Main Board Small Caps (Runner Up)*’ by Securities Investors Association Singapore (SIAS) in 2010.

About Micro-Mechanics

Micro-Mechanics designs, manufactures and markets high precision tools, parts and assemblies for the semiconductor, medical, aerospace and other high technology industries.

The Group serves a worldwide base of customers from six manufacturing facilities located in Singapore, Malaysia, China, Thailand, the Philippines and the USA. Together with its direct sales presence in Taiwan, Indonesia, Korea and Europe, the Group’s strategy is to relentlessly pursue product and operational improvement while providing its global customers with fast, effective and local support.

In addition to a market-leading range of precision tools, parts and consumable products used in the assembly and testing of semiconductors, the Group also manufactures precision parts and assemblies on a contract basis for tier-one equipment, aerospace, medical and other industries.
