About Micro-Mechanics

Micro-Mechanics is a leading Next Generation Supplier of high precision tools and parts for process-critical applications in the wafer fabrication and assembly processes of the semiconductor industry. The Group delivers an integrated suite of solutions across the value-chain, from the design and manufacturing of a range of industry-leading consumable tools and parts for the assembly and testing of semiconductors, to the contract manufacturing of precision parts and tools used in process-critical applications for the semiconductor wafer-fabrication industry.

Established since 1983 in Singapore, the Group was publicly listed on the SGX Mainboard (SGX:5DD) in 2003. The Group has grown steadily over the years to be a trusted partner by more than 600 customers globally, with a diversified geographical footprint across five operating facilities in Singapore, Malaysia, China, the Philippines and the USA.

The Group is committed to executing its ‘Five-Star Factory’ initiative driven by high-performance teams, operational and innovation excellence, workplace efficiency & safety and fast, effective local support to global customers. This is anchored by the Group’s focus on financial discipline and strong governance to deliver sustainable long-term stakeholder returns.

Since listing, Micro-Mechanics has received over 30 awards in recognition of its high standards of corporate governance, quality of disclosure, transparency and investor relations. The Group was also recognised in the ‘Forbes Asia Best Under A Billion List’ in 2006 and 2022.
